ANNUAL REPORT 2022-23

The annual report of St. Sebastian's Public School, Udayamperoor, articulates and demonstrates the dynamic nature of our school, and commitment to excellence. This year, with great challenges we started face to face learning after the pandemic situation, we could observe the mixed feelings of excitement, joy and confusion among students and parents. We overcame the situation by our principal, an enthusiastic, supportive and dedicated team of teachers and non-teaching staffs. Their cooperation with each other enables the school to function smoothly and grow in new perspectives.

Academic

Our school has its meek beginning in 2001 with 55 students, and now while completing its 22nd successful year, we can proudly say that our institution is growing by the grace of almighty. At present we have 1086 students, which shows the excellence of academics in our school. By this, excellence in academics, we have got the 4th rank in CBSE Board Examination 2018-19. We are proud to report that 2022-23 batch of 10th, have brought laurels to the school by their excellent results. We achieved 100% results in CBSE class 10th examination. This was possible because of proper guidance of our principal Shaju M V alias Fr. Hormis Marottikudy and the continuous efforts of dedicated staff. They took extra classes and other remedial measures to improve students from the lower classes onwards. We provide individual attention to each student by conducting weekly test papers, dictation, preparing exit and entry cards, noting down the side points, extra coaching classes for the board examinees etc. Along with this, we provide training in writing and speaking. We also give special attention
